From the Trustees and Team

Every day brings unknown challenges. Whether our work life is energising or exhausting, something we couldn't possibly anticipate can knock us completely off-course.

This year we've created trusted space for people eager to take the next step in their faith at work and beyond. And we've had the privilege of standing with professionals going through very tough times.

One-to-one support and events remain the bedrock of our work, all pointing to the practices of Jesus and the path less travelled.

Business leaders injected inspiration into our Christian at the Core and Birmingham Prayer Breakfast events. They shared courageous principles at the core of their business and urged us to follow God's calling on our lives.

It has been great to see more than 20 people in our network signing up for a six week Ignatian retreat in

daily working life, made up of individual prayer and regular meetings with a prayer guide.

This year ChaplaincyPlus launched two workplace chaplaincies, supporting individuals within two local businesses with regular chaplaincy presence in partnership with CIGB, the churches-led retail and industrial chaplaincy.
